VANGUARD INITIATIVE  
New growth through smart specialisation

# Vanguard Initiative regions' pilot activities leading by example in the post-industrial transition

*House of the Dutch Provinces, Rue de Treves 59, 1040 Brussels*

*Thursday 12th October 2023, 08:30 - 10:30*

*The panel discussion will be preceded by a **networking breakfast from 8:30 to 9:30***

## Background information

For 10 years, Vanguard Initiative members have been leading by example on fostering the post-industrial transition with strong Regional Smart Specialisation Strategies and innovative cooperations across Europe. 8 regions will demonstrate the benefits of working in Vanguard Initiative with testimonials from 4 of its pilots. Together they take up the challenges of the smart and green transitions, being the center of the new Innovation Valleys and open for new connections to innovative ecosystems.
